COURSE FEES & PAYMENTS OPTIONS

PAYMENT

The success of our 11+ programme attracts considerable interest each year, therefore, to assure your child of a place on all or any of the phases, full course fees or a non-refundable deposit of £50 is required for each course (£100 for Summer School). Once a deposit is paid for a course, your child's place is confirmed. The remaining balance can be settled at any time at least two weeks prior to the commencement of each phase **at the latest** (2 months for Summer School). Please ensure you have created an account on our website so that you can keep track of any payments made/due.

COURSE FEES (Pay as you Go)

This option allows you to register for a course in advance without having to pay the entire cost up front, giving peace of mind that your place is secure and the financial flexibility to spread the payments and 'pay as you go' on the remaining balance.
